Executive Registry
76-5662

NOTE TO: OLC

Ludd Ashley, a very senior Democratic member of the House Banking Committee, asked me if we could provide him with a current intelligence briefing on England. He is, of course, very interested in the economic and political situation there.

Would you please have someone call him today, speak to him personally, and say that they were calling at my request.

*SB/KKD*  
George Bush
